

Eastern Mediterranean International School (Israel)

Aug. 2020

Dear Students and Parents,

We are exceedingly happy to be writing to you at the start of this new school year. This is not trivial. The difficulties and uncertainty of the Covid19 situation have been with us for many months, and throughout this summer. We have been planning and preparing for every possibility.

For an International school, like EMIS, the difficulties and uncertainty have been multiplied. We did not know if we would be able to bring our international students into Israel, up until the very last moment. We did not know if they would be quarantined, and how they would be able to study. So we are delighted to finally be able to welcome our students to EMIS and to open this school year.

Our school year will begin on August 24th, with an online opening ceremony. Local students will arrive on campus the following week, and international students will arrive as they are able to secure flights. Our lessons have been planned to begin online, and to transition in a few weeks to live classes after international students have arrived and completed their required quarantine.

Our staff have worked very hard this summer to prepare these Covid19 plans. We are grateful for their efforts and proud of their resourcefulness and adaptability. We are confident that whatever surprises may still lay ahead, we will succeed in resolving them.

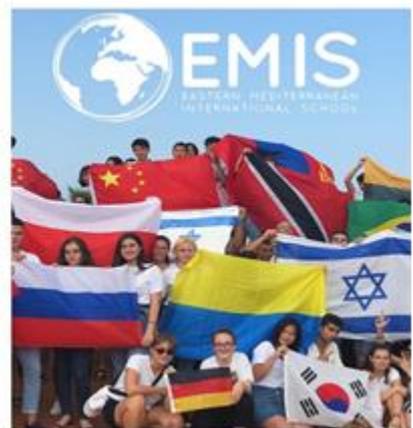

We extend a warm welcome back to our returning students and a loud welcome to our newcomers. We can't wait to meet you. We hope to see you at EMIS very soon! We wish all our EMIS parents and families a happy and healthy year!
